Dragon Class Newsletter

With Lu Laoshi, Ms. Wendy, and Ms. Lauren
Week 11: 10/17/16-10/21/16

Weekly News…

On Week 11 we continued the “Healthy Living” unit with reviewing and continuing learning food 1-fruits. We made a fruit basket and made a craft of 菠萝 pineapple、草莓 strawberry、葡萄 grape、and 苹果 apple. Please check out our blog http://galadragon.weebly.com/ for songs we learned about fruits. Also I have created a study set “水果 Fruit ” for all the fruits we are learning on Quizlet. It’s a website for practicing vocabularies by using flash cards and playing fun games. Please click this link https://quizlet.com/join/P3y6w9e93 and search “galadragon” to practice at home. For math, we started Kindergarten Geometry with learning shapes of 三角形 triangle、正方形 square、长方形 rectangle 和圆形 circle. For 1st grade we learned different ways to make 10 and solve number bond problems. We also reinforced classroom routines and school wide expectations. If you have any questions, please contact us jing@gala-prek8.org, wendy@gala-prek8.org or lauren@gala-prek8.org. Thank you all for support and have a wonderful weekend!

Lu Laoshi
