Weekly News...

Dragon class had a lot of fun this week! We started our math centers and Mandarin literacy centers. We practiced how to clean up and rotate after every center. They have been getting better and better understanding the rotation and different center practice. This week we started our first Unit of IB PYP program. We focused on "My Family". We learned how to call our family members in Chinese and learned a song about "My Family". I have attached the song in their green folder as a reference. Please keep all the reference in the green folder for future use. We talked about who lives in my family. We had a fire drill this Thursday. Everyone did a good job though they were a little scared. For Kinder Math we learned about sorting into different categories. And we started learning counting. For 1st Grade we started making our interactive math notebook with addition strategies. We keep practicing all the procedures and reinforce school wide expectations. If you have any questions, please contact us at jing@gala-prek8.org, john@gala-prek8.org or errin@gala-prek8.org. Thank you for all your support!

PBIS

In Dragon class and the whole school we reinforce good behaviors in many positive ways:

- Star of the week (earning stars to be the star of the week and receive a prize from Lu Laoshi)
- Table points (The whole table will earn points when complete tasks and clean up after themselves.)
- Turtle ticket (School wide earning turtle tickets to attend the fun event every month.)
