Week 4: 9/4/17-9/8/17

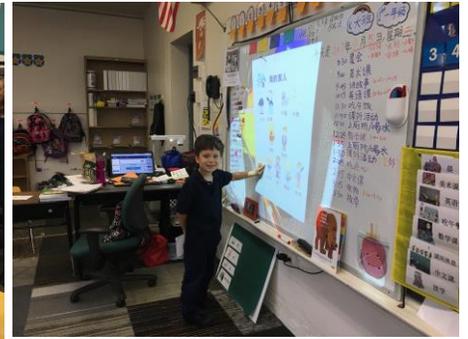

Weekly News...

It is a short week but we have done a lot! We practiced different activities at our math centers and Mandarin literacy centers. We practiced how to clean up and rotate after every center. We continued our first Unit of IB PYP on "My Family". We made a house with all the family members in "My Family". We also talked about what room are in my house. And we learned a fun game called "大风吹" (Big Wind Blows). Everyone had a lot fun playing this game and practiced colors during the game. For Kinder Math we finished counting to 5 and started learning about ten frame. For 1st Grade we made our interactive math notebook with addition and subtraction word problems with manipulatives and stories. We keep practicing all the procedures and reinforce school wide expectations. If you have any questions, please contact us at jing@gala-prek8.org, john@gala-prek8.org or errin@gala-prek8.org. Thank you for all your support! Have a wonderful long weekend!

PBIS

In Dragon class and the whole school we reinforce good behaviors in many positive ways:

- Star of the week (earning stars to be the star of the week and receive a prize from Lu Laoshi)
- Table points (The whole table will earn points when complete tasks and clean up after themselves.)
- Turtle ticket (School wide earning turtle tickets to attend the fun event every month.)
